GENERAL RULES:

Grants to Pathshalas under these rules will be made out of the funds specially provided by the State Government for assisting institutions imparting instructions in Sanskrit, and Hindi under head 277—Education—C—Special Edu-(b) (iv) Assistance to Non-Govt. Institution—Grant-in-aid to Non-Govt. Sanskrit Pathshalas (Non-Plan).

2. Applications for such grants will be made by the managements of the Pathshalas to the Department through the Distt. Education Officer/Inspector of Pathshalas on prescribed form attached to Grant-in-Aid Rules at Annexure 'A' 'B' & 'C'.

3. No grant shall be made in respect of Pathshalas the income of which from fees and endowments is sufficient to maintain it efficiently. Grants may also be refused on the grounds that Public Funds are insufficient and further subject to the fulfilment of condition as laid down above.

4. Grants may be made to one department of Pathshala and refused to another department.

5. A Pathshala in receipt of grant-in-aid in one department and desirous of grant in respect of another department shall submit afresh applications regarding the department for which grant is desired.

6. For the purpose of awarding grant, a Pathshala shall be classified as either (a) A Class or, (b) B Class or (c) C Class, and in classifying a Pathshala the Inspector shall take into consideration the extent and quality of instruction as also general efficiency, tone and discipline of the Pathshala. The full grant, as permissible under the grant rules, shall only be awarded when the Pathshala is placed under Class 'A'. If it is placed under Class 'B' the grant shall be 75% of the full rate, and it will be 60% or even less when it is placed under Class 'C'.

GRANT-IN-AID RULES

For purposes of grant-in-aid it is desirable to differentiate between Sanskrit Pathshala and non-Sanskrit Pathshalas. In Sanskrit Pathshalas almost invariably, no tuition fee is charged and even free food is given to the poor and needy students. It is not considered desirable that these Pathshalas should be required to charge tuition fee from the students because such a step will adversely effect the number or rolls. On the other hand, the Pathshalas imparting instruction in Hindi in most cases, charge quite heavy tuition fees. The students will nilly pay these fees and the Hindi institutions are accordingly able to realise goodly income therefrom. Still it desirable that rules of grant-in-aid should uniform apply to all types of Pathshalas though the condition regarding tuition fees may be different for Sanskrit Pathshalas and non-Sanskrit Pathshalas:

1. The total grant-in-aid permissible to a Pathshala during a year shall be fixed at 2/3rd of the difference between approved income and approved expenditure duly approved and verified by the Chartered Accountant or by an authorised agency.

2. Approved income shall include the following:—

(a) Income from fees, both tuition fee and Boarding House fees, calculated on the basis of the actual rates charged subject to the maximum of the rate levied in a corresponding classes in the University Department.

(b) Income endowments.

(c) Income from property.

(3) Approved expenditure shall include the following:—

(a) *Establishment expenses:*

(i) Salaries for teaching staff.

(ii) Contributions towards approved provident fund.

(iii) Salaries of servants by the Inspector as necessary.

(b) *Contingencies:*

(i) Equipment, repairs and renewal of furniture and apparatus.

(ii) Rent of the buildings, if these are rented.

(iii) Ordinary repairs to the building, if these belong to the institution.

(iv) Reasonably expenditure on account of summoning girls and conducting them from and to their homes.

(v) Petty contingent expenses.

(c) *Library and furniture grant.*—Library and furniture grant shall be fixed at 50% for the total expenditure on library and furniture subject to a maximum of Rs. 500, Rs. 300 and Rs. 200 for Class 'A', Class 'B' and Class 'C' Pathshalas respectively.

(d) *Boarding house and special grant for building.*—Boarding house and special grant for building may be given as to other aided schools, provided funds are available.

4. Grants to unaffiliated or unassociated pathshalas following Himachal Pradesh University Courses, shall be made under the conditions that the institutions shall qualify themselves for affiliation or association in accordance with the rules, terms, conditions as specified for the affiliation or association by the H.P. University or the body with whom such affiliation/association is connected from time to time as laid down in their Statute, within two years of the sanctioning of the grants otherwise their grants shall be liable to be stopped.

5. The grant-in-aid rules may be amended later on, if need be, in the light of the experience gained by the Inspector of Pathshalas.

6. Grant-in-aid paid under these rules will be annual grants pertaining to a financial year. These grants may be paid in one instalment or two in a financial year. These grants may be paid in one instalments or two or more instalments as the department may think proper.

7. The grants, may under the orders of the Department be reduced, suspended or withdrawn at any time if the tone, discipline organisation or instruction is unsatisfactory or for any other serious reason. Grants are also liable to be withdrawn from an institution if the management or the staff of which take part in agitation against the authority of Government or disseminate opinions tending to excite feelings of enmity hatred between different classes or communities. Grants will not be withdrawn under this paragraph if it is giving

opportunity to the Pathshala authorities to show cause, reply to which must be submitted within 4 weeks failing which *ex-parte* decision would be taken by the sanctioning authority.

8. (a) The grant will be spent within a period of three months latest of the succeeding financial year and the portion of amount which is not required for the expenditure on that object will be duly surrendered to the Himachal Pradesh Government under Head "077—Education Misc. receipts unspent balance of grant-in-aid".

(b) That the utilization certificate in respect of previous grant will be furnished on the prescribed form within four months of the receipt of the grant-in-aid duly verified by the Chartered Accountant or any agency approved by the Government.

Sanctioning authority and its powers:

(c) The grant-in-aid to these institutions will be sanctioned in the State of Himachal Pradesh by the Director of Education, Himachal Pradesh whose order shall be final and binding on the institutions.

(d) The whole or part of any grant-in-aid case be withheld for breach of any of these rules by the sanctioning authority.

(e) A nominee to be deputed by the Education Department shall be a member of a Managing Committee for a period of two years of the institution receiving grant-in-aid under these rules and he will be treated on official duty for the purpose.

(f) In order to grant security to the service of the teaching staff/personnels, working in such institutions, prior approval of the Education Directorate shall be obtained in regard to their appointment and termination of service/dismissal by the institution who are in receipt of grant-in-aid under these rules.

(g) The institutions in receipt of grant-in-aid under these rules shall keep the accounts of income from all sources and of expenditure accurately on Forms 'D' and 'E' attached to grant-in-aid rules which will be open to inspection and scrutiny by the officers/officials of the Education Department.

(h) The accounts of the institutions shall be subject to audit by the officers/officials of the Education Department in respect of the grants sanctioned to them from time to time.

(i) The account shall be open to a test check by the Accountant General, Himachal Pradesh.

(j) Utilization certificate shall be furnished duly attested/checked by the Chartered Accountant within a period of 4 months after the receipt of grant-in-aid.
